# Single Premium Immediate Annuity

## An Immediate Retirement Income

Don't worry about outliving your savings in retirement or the ups and downs of the stock market. Customize your income from a **Single Premium Immediate Annuity (SPIA)**.

SPIAs are designed for individuals approaching retirement age. Unlike a deferred annuity, an immediate annuity begins paying out income immediately — typically within one month of purchase.<sup>2</sup>

- Purchased with a single lump-sum payment.
- Supplement your Social Security and pension plans.

You can turn qualified money (IRA and Roth IRA) or non-qualified money (post tax dollars) into an immediate annuity.

### Ann's Story:

Ann is 65 and retiring this year; she has \$100,000 to invest. She is concerned about running out of money once she is no longer working.

Ann looked at investment options that would secure a lifetime income. She chose a Single Premium Immediate Annuity to guarantee an income for the rest of her life.
