The Home Office in coordination with sales representative and/or current beneficial members may determine where and when a new impact team will be chartered. Ideally, the impact team will be affiliated with a local parish, but it could also be regional or even state-wide.

At the time an area (location) is selected for development, an impact team number is issued. This is the number assigned to all new business written specifically for this team, and to all transfers of membership of current members who live within 30 minutes of the new impact team's location (based on mapping calculations of city centers). Any number can be assigned to the new impact team, provided it has not previously been used for court/impact team.
